Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **City of Industry East-West Bikeway Project** in fiscal year 2024.

The entity to receive funding for this project is the **City of Industry**, located at **15625 Mayor Dave Way, Industry, CA 91744**.

The funding would be used to construct a 10-mile, east-west bikeway that traverses the entire City of Industry from Seventh Avenue on the west to Grand Avenue on the east. The bikeway alignment will substantially include a Class I bike path and a combination of Class III and Class IV bikeways on surface streets, and it will provide east-west connectivity in the San Gabriel Valley for both commuter and recreational bikers. The project is an appropriate use of taxpayer funds because it will enhance work and recreational connectivity, construct safe and cost-effective infrastructure, and increase access to various area activity centers, including schools, parks, and local businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Grace F. Napolitano
Member of Congress
